

INVITATION FOR ALUMNI (1997) :

Hello Boss,

Hope you are faring well in your job and earning laurels for yourself as well as your related beings.

It gives us immense pleasure to continue everlasting ties with you. Our department has stood the test of time, and is witnessing tremendous growth on both technical and intellectual level. We are enthused to learn that you are going to pay a visit to our prestigious department on account of commemorating "**the Silver Jubilee of 1997 batch**".

We are also celebrating the 23rd version of a three-day long fest, **ENCARTA**, a brain storming idea of your batch, from **23rd to 25th of December**. Your participation/contribution in whichever way possible will add charm to the event.

Following are the planned events for your Departmental visit.

1. A **Technical Memorial Lecture** with the aim to remember our beloved **Professor Dr. Rajesh Purohit**, who coined the word ENCARTA. He holds a special position in the heart of all CSE MBM grads and undergrads.
2. **Panel discussion** on topics related to career opportunities, curricula, academics, entrepreneurship, latest technologies, etc.
3. **Experience Sharing**: Your experiences as an undergrad or any memorable incident that you would like to share.

P.S. If you would like to join us in ENCARTA on the beforementioned days, please drop your consent on whatsapp to Mr. **Abhisek Gour**, Asst. Prof. CSE dept. MBM University, Jodhpur. His contact details are **9530188107**. We are attaching tentative schedule with this mail.

Please **share your college time photographs**, would be great if they are associated with department as we intend to establish a special gallery.

The coincidence between these dates couldn't have been better. We are incredibly fortunate to have seniors like you who gave us a legacy like ENCARTA. Our department has always been blessed with gems.

Yours Sincerely

Team ENCARTA

Department of Computer Science and Engineering

MBM University, Jodhpur
